## HIPPOPOTOMONSTROSESQUIPPEDALIOPHOBIA by LeXman

This cryptic crossword was designed to vex those solvers (like the author himself) who always start with the three-, four-, and five-letter words first.

NOTE: Don't let all the NI2 and NI3 tags worry you. All grid entries are familiar and/or inferable words.

### ACROSS

1. After uneasy rest, I and Taylor mix gin, soaking in alcohol
7. Shaky replacement, with green bile churning [NI3]
8. Concerning flow, a group of ambassadors takes the lead for once [NI2]
9. Trains less, I think, for relay
10. Loony bin diarrhea treatment [NI3 *var*]
11. Latin in Essene translation by student: clever but without purpose

### DOWN

1. Broken chests hold twice as many mythical creatures
2. Boarding with enlisted man, except recipe is omitted from WWII-era military diet
3. Heinous influence on previous telegram about you and me
4. Bury or back opening question
5. Sire bending, collapsing: these things happen in royal families
6. Confused after I'd interrupted cloudy bit of Eastern Orthodox hyperbole? [NI3]
